ORDER:

Consequent to the heavy damages that occurred during November, 1996, cyclone in the State, the Government is implementing the A.P.Hazard Mitigation & Emergency Cyclone Recovery Project with the assistance of World Bank to restore the damaged infrastructure and to take up the following technical studies through **International Consultants** for better prediction of cyclonic storms, land fall, storm heights etc., :-

(4) Accordingly, in the G.O. first read above, sanction was accorded for creation of posts mentioned in para.3 thereof and to take certain staff from various departments on deputation to work with the International Consultants during the study period. Among other, the following staff were taken on deputation: -

(6) In the G.O. first read above, it was also ordered that **the above counter part staff** who were taken on deputation have to work with the International Consultants and they have to furnish an undertaking that they should continue to work in the Disaster Management Unit (now **A.P. State Disaster Mitigation Society**) atleast for a minimum period of 3 years after the studies are completed, as they play a vital role in operating the models developed under the studies on real time basis.

(7) Initially the project period was 2 years but subsequently the tenure was extended from time to time upto 31-07-2003. Although the Project was closed on 31-07-2003, the studies have not yet been completed and the remaining works of the Project are being taken up by the respective **International Consultants**.

(Contd..2)

(8) As the 3 counterpart staff mentioned above are associated with the Project since its inception and as they are trained in the models, it is felt that their presence is highly required to operationalise the models developed by the consultants. As the period of deputation of the above 3 counterpart staff expired by the end of July, 2006, and as the system was being revitalised, it was decided to utilise the services of the above 3 counterpart staff **till the whole activity of APSDMS is operationalised**. It was also felt essential to extend their deputation for a further period of 3 years.

(9) According to the consolidated orders on deputation issued in G.O.(P) No.10, Fin. & Plg. (F.W.FR.II) Department, dt: 22-01-1993, the period of deputation shall be subject to a maximum of 5 years and no extension beyond the above specified period will be considered by Government.

(10) Therefore, in the G.O., fifth read above, orders were issued for extension of deputation of the above 3 counterpart staff to A.P.S.D.M.S., for a further of 3 years from July, 2006 in relaxation of the condition of 5 years' maximum period of deputation stipulated in G.O. (P) No.10, Fin. & Plg. (FW.FR.II) Department, dt.22-01-1993.

(11) Now, as the above period of deputation expired by the end of June, 2009, and since the services of the above 3 counter part staff are essentially required at **A.P. State Disaster Mitigation Society**, it has again been decided to extend their deputation for a further period of 3 years from July, 2009, in relaxation of the condition of 5 years' maximum period of deputation stipulated in G.O. (P) No.10, Fin. & Plg. (FW.FR.II) Department, dt.22-01-1993.

(12) Accordingly, Government hereby order for extension of deputation of the above **3 counter part staff viz.**, Sri A.Ramakrishna Naga Raju, A.E.E, P.R. (FW.FR.II) Department, dt: 22-01-1993. This order shall not be cited as a precedent and no further extension will be considered in future.
